

Regroupement Stratégique en Santé Mondiale Annual Photo Contest

Our 2016 photo contest was a great hit! The many submissions we received were incredibly diverse and showcased a true passion for the field of global health. Applicants included students of McGill University, l'Université de Laval and l'Université de Montréal. The photos were put on display during our session at the Congrès de l'ACFAS on the 11th of May, where participants were given the opportunity to vote for their favourites. A total of 22 votes were cast. The first (\$400), second (\$250) and third place photos (\$100) are shown below. We would like to offer a warm Thank You! to all contest participants.

1st place: Anne-Marie Turcotte Tremblay, doctoral student at the Université de Montréal
