

## Job Offer

---

### Research Assistant (part-time)

---

[The Research Chair on Gambling](#) is currently looking to hire a research assistant to support our research and dissemination activities in the research field of gambling.

More specifically, the research assistant will contribute to a community-based action research, respectful of indigenous spiritual experiences and ways of knowing, aiming at engaging in a dialogue to maximize an indigenous community's strength in managing gambling in order to seek, achieve or maintain a state of balance with gambling.

#### *Description of the job*

Under the supervision of coordinator and the Chairholder of the Research Chair on Gambling, the applicant will be responsible for the following tasks:

- Conduct a literature review;
- Support data collection;
- Support data analysis and interpretation;
- Support writing of scientific report and publications

#### *Profile of the applicant*

The applicant should fit the following profile:

- Undergraduate or Master's student in social sciences, with experience in research;
- Have an excellent command of oral and written English;
- Proven rigour, thoroughness, and attention to details;
- Proven autonomy and time management skills;
- Proven sensibility to indigenous cultures and history in Quebec
- Asset: Knowledge in the fields of gambling and addictions; and of indigenous research methods.

#### *Work conditions*

Schedule: part-time (variable between 7 and 21 hours per week)

Salary: according to current collective agreement at Concordia University

Start date: **October 12, 2020**

Work place: Concordia University – Research Chair on Gambling Studies, 2070 Mackay Street, Montreal

#### *Application submission*
